'JBK English Courses'

'Career English for Professionals' Course

This **JBK English** course is designed to help students from the ***business, medical, and legal professions*** gain confidence in using English with the skills they need in the workplace.

'Career English for Professionals Semi-Present' Course

Our semi-present courses are for students of level A2 or higher. They should be able to use the Internet well and be able to meet with a **JBK** teacher once a week.

English Business Writing

This course is individualized and teaches **customer-focused writing for professionals**. It's available from the pre-intermediate to advanced levels. In **JBK English** learners gain expertise in the types of business writing needed for their workplace.

Pronunciation

This **JBK English** course is for pre-intermediate to advanced intermediate speakers of ESL/EFL where learners develop **speech clarity and improve their listening comprehension**. Some students who have difficulty with these issues make good progress in five to ten hours of instruction.

Workplace English

This **JBK English** course is offered for **frontline employees in the hospitality industry**. Class levels range from the advanced beginner to the pre-intermediate levels. Approximately half of the class time is spent teaching the job specific English language needs of the learners.

International English Exam Preparation

JBK English offers instruction in different international exams such as the *TOEIC*, *TOEFL-iBT*, the *IELTS*, the *Cambridge Business English Certificates (BEC)*, and *Cambridge English: Advanced (CAE)* and the *Cambridge English: First (FCE)* for general English.

Number of Class Hours: At **JBK English** students can choose the number of hours they would like to study for an exam. It's possible to only study for 4-5 hours for an overview, or a course can be extended as desired.

Test of English for International Communication (TOEIC)

The **TOEIC** is one of the most popular exams in the world for evaluating workplace English skills for governments and international companies. It is used for processing job applications and sometimes in the consideration of promotion.

The TOEFL-iBT

The **TOEFL iBT** test is used to determine your ability to communicate in English in reading, writing, listening and speaking in a university setting. The test is used worldwide and especially in N. America.

IELTS

The International English Language Testing System (IELTS) is the most popular university entrance exam in the world with over two million taking it each year. It is accepted for study, immigration and business purposes and represents someone's ability to communicate in English.

Business English Certificates (BEC)

The **BEC** offers three business certificates that include the B1 Intermediate level, the B2 advanced intermediate level, and the C1 advanced level. In 2015 over 60,000 students took these examinations, and the exams are well recognized.

Cambridge English: Advanced (CAE) & the Cambridge English: First (FCE)

The **CAE** tests for the C1 (low advanced) general English, and the **FCE** tests for B2 (advanced intermediate). The FCE is taken by over 270,000 students each year in over 100 countries. Both exams test for reading, writing, listening, speaking, and grammar.
